Annual Report

Council Notes

Council held a retreat 1/10/20 - 1/11/20 to discuss directions for this coming year and continued the discussion we had at our January meeting on 1/20/20.

Three main points came through:

- Our congregation is involved in many community ministries and outreaches. How do we tell our story better?
- Our congregation is welcoming. How can we be even more faithful at inviting and welcoming ALL?
- Our larger narthex space has helped increase fellowship before and after worship. How else can we improve our facilities in ways that will continue to enhance fellowship, advance our campus ministry, and increase our interactions within the community?

Community Ministries – Tell Your Story!

University Lutheran participates in and supports many community ministries as a congregation, as small groups, or as individuals. We would like to create a booklet that identifies those ministries, their purpose, contact information, members who are involved with those ministries, and any stories you would like to share about them.

Others may be interested in participating, and it is a lot easier to take that first step with someone.

Please contact Cheryl Smith (cheryli@clemsun.edu).

A Novel Bunch - All are Welcome to Join Us!

On **Thursday, February 20th**, we will meet beginning at **12 noon in the Fellowship Hall** for a lively discussion of *God's Scorekeeper* by our very own Frank G. Honeycutt.

This 169-paged book is comprised of 16 short stories, some of which deal with pastors who fall prey to the "seven deadly sins."

English Professor Nancy Tuten of Columbia College comments on these short stories: *...Frank Honeycutt explores the interior lives not only of his misfit pastor protagonists, but also of anyone trying to negotiate a faithful life.*

He reminds us that demons of one kind or another haunt everyone: the overzealous and the cynic, the self-righteous and the guilt-ridden, the unstable and the smugly intellectual - all deeply flawed, all in need of grace.

University Lutheran Church Mission Statement

University Lutheran is a family of faith, called by the Holy Spirit to be one ministry serving both our community and university. The Spirit calls us to make known, by word and deed, the story of God's love in Jesus. Our worship together empowers us to grow as disciples as we receive, celebrate, and share God's gifts with all of God's creation and created ones.
